REMARKS

The present application is part of the Motorola "bulk filing" applications. Special IDS procedures have been approved for these applications, and an IDS was filed recently in this case listing several references.

The rejection of Claims 1-42 over Guenzer in view of Kaushik and Japan 52-89070 is traversed. None of the references set forth the claimed semiconductor structure or process claimed herein.

Initially, the combination of Guenzer, Kaushik and JP '070 is insufficient given that, even if they were combinable in the manner suggested, and even if motivation for such
